Company presentation

DB Intermodal Services

November 2023

Michael Heinemann
Managing director

**„Benefit from
our local expertise“**

Thomas Hesse
Managing director

Foundation in 2003 merging the following two companies:

- Buss-Trans-Container-Service GmbH (BTS), Hamburg
- Kombiwaggon Servicegesellschaft für den Kombinierten Verkehr mbH, Mainz
- Name change to **DB Intermodal Services GmbH in 2008**
- 100 % subsidiary of DB Cargo AG

Key figures 2022:

- 67.7 million € total revenue
- 377 employees
- 10 container depots (empty & loaded)
- 1 transshipment terminal
- 2 sites for factory logistics
- 6 terminal holdings in Germany
- 2 terminal holdings abroad
- 8 trucking sites (pick-up and delivery by truck)

The service portfolio includes ...

- Provision of **container depots** in Germany for **empty and loaded containers**
- Operating of a **transshipment terminal**
- **Holdings** with **terminal companies** in Germany and Europe
- **Repair, cleaning and maintenance** of containers
- **Container trading**
- Offering of **trucking services** (pick-up/delivery)
- Transport services for **factory logistics**

Our performance (in 2022)

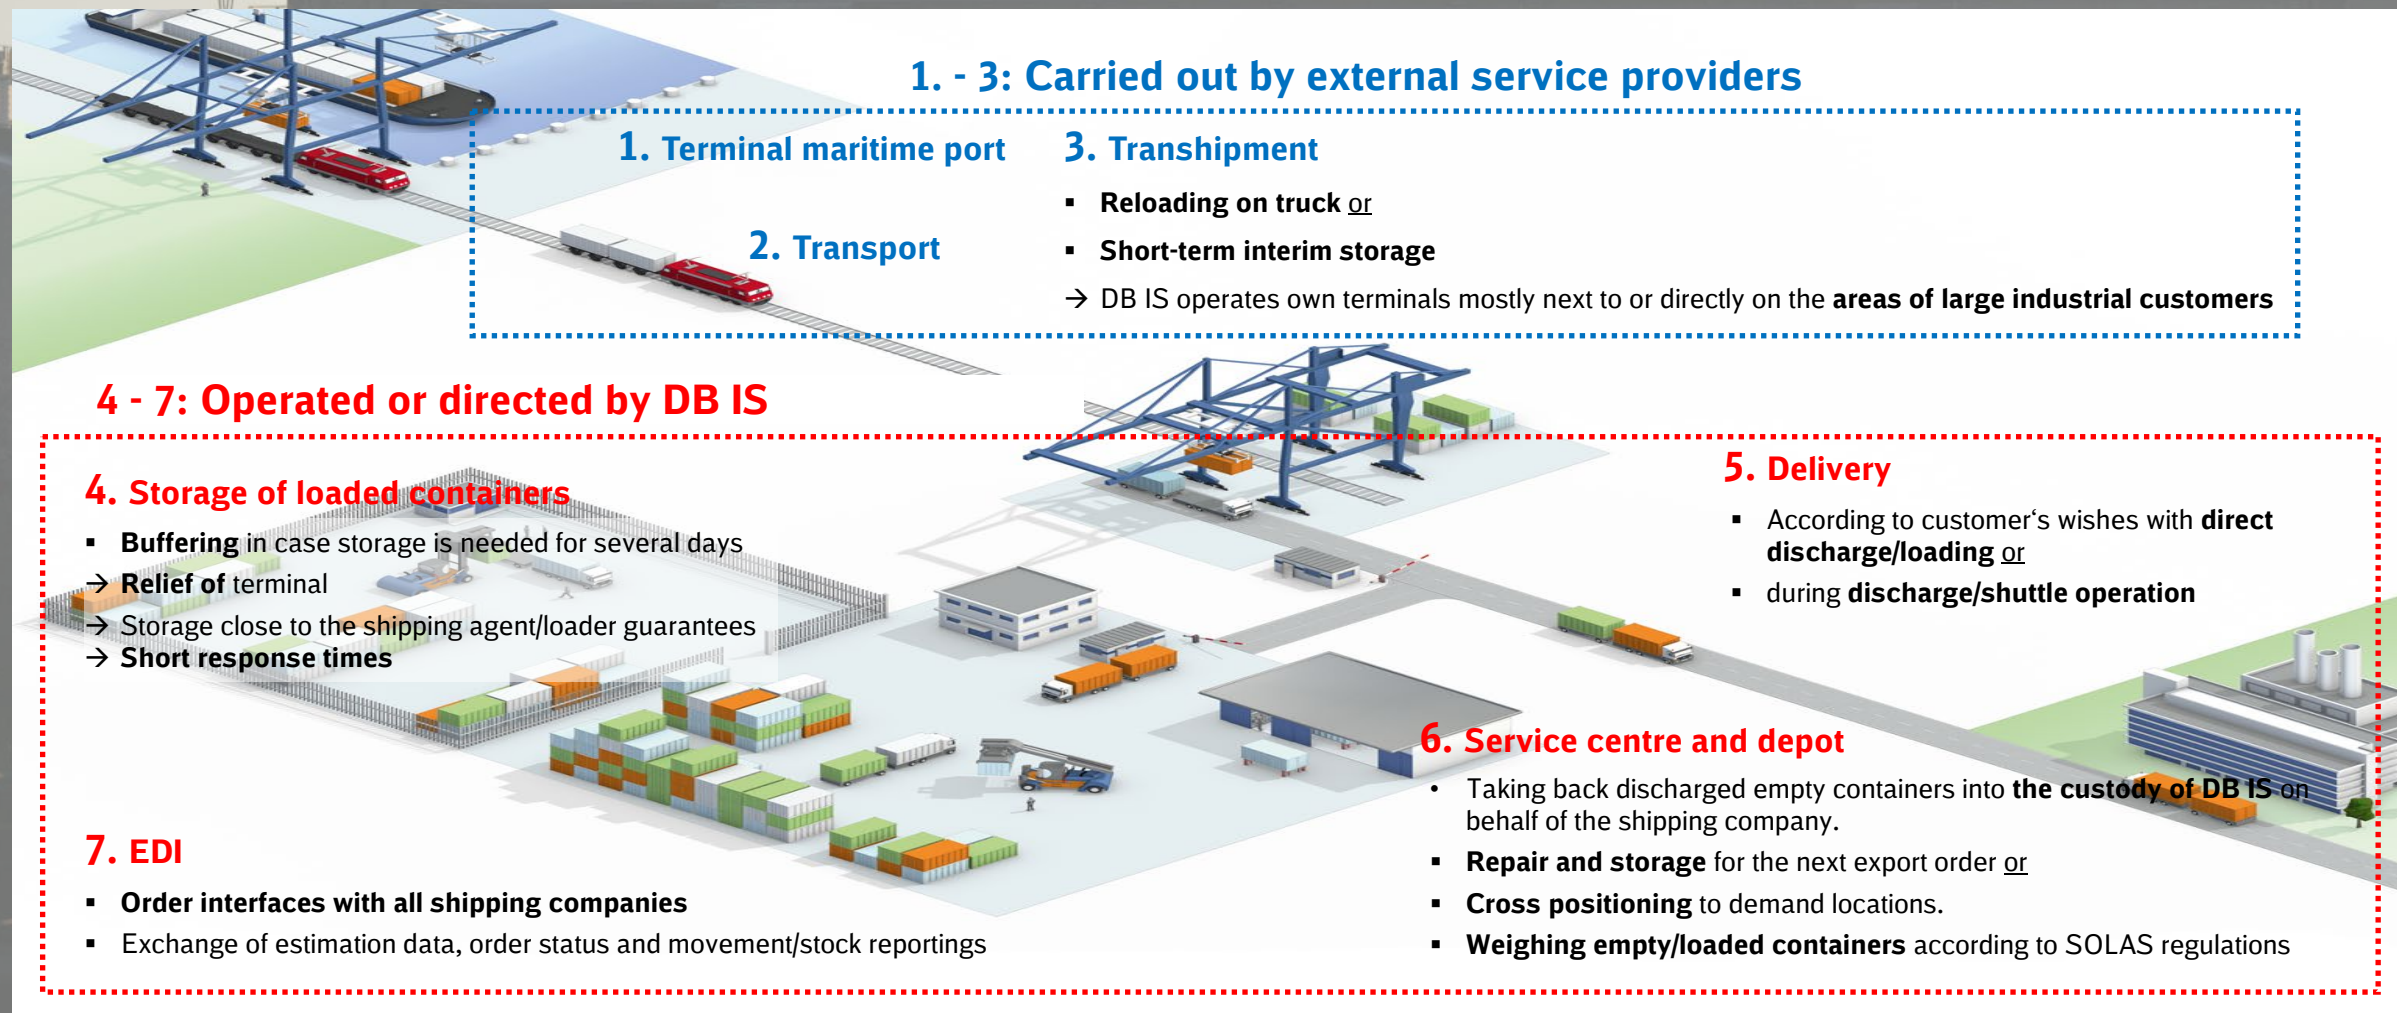

- **685,700** handlings per year
- **55,000** repaired containers
- **39,950 TEU** storage capacity
- **72,000** transport orders
- **450** sold containers

DB Intermodal Services GmbH (DB IS for short)

Intermodal transport chain from the seaport to the recipient

Cargo

Transshipment terminal, container depots and factory logistics

at 13 locations in Germany

Cargo

Extensive terminal and depot services offered by DB IS:

- **Terminal services**
- **SOLAS weighing** in Kassel, Kornwestheim, Nuremberg and Ulm

Along with partner companies, we offer our service portfolio at **six additional locations** in Germany:

- Düsseldorf Container Hafen (DCH)
- Container Terminal Dortmund (CTD)
- Container Terminal Köln (CTS)
- Dörpener Umschlagterminal (DUK)
- Roland Umschlagterminal Bremen
- Terminal Singen (TSG)

Transshipment terminals

in other European countries at 15 locations

Cargo

The DB Cargo Group operates **15 terminal locations in European countries.**

DB Intermodal Services fulfills a steering function within the DB Cargo Group with regard to European intermodal terminals.

Depot services

- 10 **depot sites** offer a **storage capacity of 37,300 TEU** for your empty and loaded containers
- Every year, we carry out a total of **685,500 handling** operations here
- About **55,000 containers per year are repaired** in the service centres
- At each site, you can **buy trading containers** for every purpose

Trucking

- **72,000 deliveries** are carried out **with 148 trucks and 343 chassis**
- These truck transports run between transshipment terminals, container depots and customers
- Additionally, we offer to **transport empty containers between container depots**

DB Intermodal Services GmbH

Diversified service portfolio

Terminal services

- **Transshipment terminal in Kassel**
- **Abroad**, we have **terminal holdings**, e. g. in Enns (Austria), Rotterdam (Netherlands) and Barcelona (Spain).
- We additionally support you with **agency services**, container storage and supply of transport information.

Factory logistics

- For Volkswagen, we offer **transport services between the factories** Braunschweig and Wolfsburg.
- We realise container transshipment at the factory site as well as in the transshipment terminal in Braunschweig and we also **deliver loading units to the factory sites by truck.**

DB Intermodal Services GmbH

Diversified service portfolio

Container trading

- We offer **sea containers** in **standard sizes 20 ft, 40 ft and 40 ft HC** as well as **special equipment** for **sale** and for **rent**.
- The **trading team** is available for both **general inquiries** and **detailed offers**.
